BARTENDER SPOTLIGHT

In 1919, Camillo Negroni discovered by mistake the elixir of immortality, which made him 'live forever'. For over 100 years, people around the world have tried to recreate the drink and discover its secret. Some came close, some were way off. I believe this cocktail is the modern interpretation of a classic that will never die.

THE OLD MAN 12.5 *by Andrea Mongillo*

Gin Monsieur, Belsazar red vermouth, Vermouth del professore rosso, Amaro Mondino
